## **Welcome to Surrey Schools' Cricket competitions for 2018!**

This booklet contains all the information regarding inter-school competitions organised by Surrey Schools' Cricket Association. Details of other Under 11 competitions organised by SCF, (i.e. Connellan Trophy & Kwik Cricket Competitions) will be circulated to competing schools in due course.

The number of competitions for girls' teams has been increased to 4 with the addition of the U11 Surrey Star Burst and the ESCA U13

Girls' Hardball competition, both as pilot projects.

There have also been changes to various Playing Regulations, so please read carefully.

It is essential that matches are played by the specified limit dates and that the results are notified promptly. **If there are difficulties, please consult the relevant competition administrator at the earliest opportunity. Do not wait until the deadline.**

It is essential that the highest standards of sportsmanship and behaviour are upheld at all levels of cricket. Coaches and managers are asked to ensure that all players are aware of the MCC Spirit of Cricket. Details are available via the SSCA website.

Further information on the activities of Surrey Schools' Cricket Association is available on the SSCA website ([www.scca.org.uk](http://www.scca.org.uk)), or from the contact below.

Have a good season,

**Phil Everest**

## **COMPETITION RULES AND CONDITIONS OF ENTRY:**

1. Entry to competitions is open to all schools and colleges affiliated to Surrey Schools' Cricket Association, and to guest schools subject to the fees and conditions set out in the Constitution of the Association (*Para.13*)
2. All children participating in these competitions must be under the appropriate age-limit at midnight on **31 AUGUST 2017**.
3. The first-named school in each pairing shall be the home school, unless mutually agreed otherwise, and shall be responsible for the match arrangements, and for making initial contact with the opposing school. The first-named school should offer at least two proposed dates to the opposing school.
4. It is the responsibility of both schools to inform the relevant competition administrator of the match result **within 48 hours** of the match being concluded. Schools with their own SOCS microsite can also enter the result, inc scores, directly on to the site.
5. Finals will be arranged by the Association on neutral grounds, where possible, and with neutral umpires. Where possible, dates and venues of finals are notified on the draw sheets. Published dates of finals will only be changed due to circumstances beyond the control of the Association and the schools involved. Where a school cannot make a published final date, the team should be withdrawn at the earliest opportunity.
6. All matches shall be played by the relevant limit date. Extensions will only be granted after **prior** consultation with the competition administrator, and only in very exceptional circumstances. **Schools failing to adhere to this rule will be eliminated.**
7. Participating schools will comply with ECB Regulations on Close Fielding, the ECB Fast Bowling Directive and the ECB Guidance on the wearing of cricket helmets. (see ECB Recommendations for Junior Cricket)

## **PLAYING REGULATIONS:**

*(to be applied in all non-pairs competitions with the exception of the ESCA U13 Girls' Hardball)*

The Laws of Cricket (2017 Code), including the size of bat, ball and wicket, will apply, with the following exceptions:

1. A team can consist of 12 players of whom 11 may bat and only 11 field at the same time.
2. The length of the innings is defined in *APPENDIX A*. This may be reduced by mutual agreement within the defined limits.
3. A new ball must be used for each innings.
4. The maximum number of overs per bowler shall be as shown in *APPENDIX A*. (reduced proportionately for reduced over matches).  
If a bowler breaks down, the remaining balls will be bowled by another bowler. Such part of an over will count as a full over when working out each bowler's limit.
5. In an uninterrupted match, the side which scores the most runs shall be the winner.
  - a) If the scores are level, the teams shall complete in a one over per side eliminator to determine the winner.
  - b) The team batting second in the match will bat first in the one over eliminator.
  - c) The loss of two wickets in an over ends the team's one over innings.
  - d) The side that scores the most runs in the one over eliminator will be the winner.
  - e) In the event of the teams having the same score after the one over per side eliminator being completed the process will be repeated until a winner is decided.
6.
  - a) If adverse conditions of weather or light interfere with normal play, the umpires can rearrange the number of overs to be bowled to ensure where possible both teams receive the same number of allocated overs, which must be a minimum of 5 overs, or 25% of the scheduled overs, whichever is the greater, to enable a result. If this minimum number of overs per innings cannot be achieved, a bowl-out (see *APPENDIX F*) will be organised. In the last resort the captains will toss a coin to decide the winner.
  - b) If, due to an interruption during the second innings, the number of overs for the team batting second has to be reduced to fewer than the number of overs allocated to the team batting first, then the target score shall be reduced according to the average run rate of the team that batted first.
9. Wide Balls: Umpires are instructed to apply a strict and consistent interpretation in respect of this Law in order to prevent negative bowling wide of the wicket.
10. At the instant of delivery, there may not be more than 5 fielders on the leg side.
11. Where possible, the length of the pitch and sizes of equipment for younger pupils should conform to the ESCA recommendations.
12. The ECB regulations concerning **close fielding** by young players will apply to all matches according to age (see *APPENDIX C*).
13. The ECB guidance on the **wearing of cricket helmets** by young players will apply to all matches.

### **In addition, the following will apply in all matches at U14 and above:**

14. Fielding Restrictions (see *APPENDIX D*) will apply.
15. The delivery following a no-ball shall be a free hit for whichever batsman is facing it.  
(see *APPENDIX E*)

### **In addition, the following will apply in the SOCS U15 Girls' Cup and all Plate & Vase competitions:**

16. In the U15 Vase and the 3 Plate competitions, the penalty for any wides or no-balls will be 2 runs in addition to any runs scored. No extra balls will be given except in the last over of the innings.

### **In addition, the following will apply in all matches at U13 and below:**

16. Any delivery bouncing more than twice, or rolling, before it reaches the striker will be called no-ball.

# GEOFF RICHARDS TROPHY (U11)

*(leading to the ESCA Saracens Cup)*

## **PLAYING REGULATIONS:** *(Geoff Richards Trophy)*

1. The Laws of Cricket - 2017 Code, including the size of bat, ball and wicket, will apply, with the following exceptions:
2. Each team will consist of 8 players who will bat in pairs. Squads for 1-day tournaments may be of up to ten players.
3. Each pair of batters will bat for three consecutive overs. If the Group Phase is played as a 1-day tournament, this may be reduced to 2 overs per pair.
4. No bowler may bowl more than two overs in any one game.
5. The wicketkeeper may not bowl.
6. In the event of an injury to a player a substitute will be allowed on the field but not bowl. Should such an injury prevent the player from batting, a substitute from the team's squad will be allowed to bat.
7. Each team will commence its innings with a score of 200. When a batter is out for any reason five runs will be deducted from the total. Otherwise runs will be scored in the normal way.
8. If a batter is dismissed he/she will not face the next delivery, even if this means changing ends.
9. The pitch shall be 20 yards long.
10. The ball shall be 4 $\frac{3}{4}$ oz. 1 new ball provided by the home side will be used for each match. SSCA will provide the match balls for the Finals Day.
11. Wides and No-balls will count for 2 penalty runs. No extra ball will be given for a wide or no-ball unless this occurs in the last over of an innings.
12. Any delivery bouncing more than twice, or rolling, before it reaches the striker will be called a no-ball.
13. No-one may field within 11 yards of the wicket, measured from the middle stump, except behind the wicket on the off-side. A fielder may move into the restricted area to make a catch or to field a ball provided he was outside the area when the stroke was made.
14. The captain is in sole charge on the field and any coaching from the side by team managers or parents is to be discouraged.
15. The ECB Fast Bowling Directives will apply (Total number of overs in a day).
16. The ECB regulations concerning **close fielding** by young players will apply to all matches according to age (see *APPENDIX C*).

No balls and wides shall not be replayed other than the last over of each innings.
5. Fielders do not need to rotate – however there **must** be a minimum of two fielders on the off-side (the side of the bat)
6. All normal dismissals of cricket shall be allowed with the exception of LBW – LBW is only to be given if the batsman deliberately kicks the ball in front of the stumps without offering any shot at the ball. At the fall of a wicket the batsmen shall switch ends – no need to switch in the event of a run out.
7. **Pitch lengths:** The pitch length should be 20yds with a boundary of, ideally, 30yds.

- Para 7: **Pitch lengths:** The pitch length should be 18yds with a boundary of 25yds.

# ESCA GIRLS' UNDER 13 HARDBALL COMPETITION

**Results and/or queries to:** Phil Everest 07932 644849 e-mail: [peverest@ssca.org.uk](mailto:peverest@ssca.org.uk)

The English Schools' Cricket Association has recently announced its first hardball competition for girls. Surrey will be among the counties piloting this new competition in 2018. If successful, the competition could be national in 2019.

Six schools have expressed an interest to participate in 2018:

**FULLBROOK SCHOOL  
IBSTOCK PLACE  
KINGSTON GS**

**REIGATE GS  
ST GEORGE'S COLLEGE  
TORMEAD SCHOOL**

The format of the Surrey competition is still to be confirmed, but it is hoped to create a structure to give all schools 4 matches.

## PLAYING REGULATIONS

- a. Teams shall consist of eight female players aged 13 or under (i.e. Year 7 and Year 8)
- b. Each game will consist of one innings per side. Each innings shall be 10 overs. An innings should be completed inside 40 minutes
- c. All players must wear appropriate protective clothing, which must include batting or wicket-keeping gloves, batting or wicket-keeping pads, and a cricket helmet with a visor
- d. A junior hard cricket ball should be used (4¾ oz)
- e. The pitch length should be 18 yards with a boundary distance of 30 yards
- f. No fielder, other than the wicket-keeper, shall field within eleven yards of the batter on strike, except behind the wicket on the off side
- g. All the usual means of dismissal apply. When the batter is out, she is out
- h. A batter must retire on having scored 20 runs. The batter may, however, resume their innings if their side is bowled out within the allotted overs, provided their team has a minimum of seven players. The innings shall be resumed sequentially with other batters who have retired under this rule
- i. Each player, except for the wicket-keeper, must bowl a minimum of one over and a maximum of two overs, except in the case of injury to another bowler, during the game. No wicket-keeper shall be allowed to bowl except in the case of injury to another bowler, during the game. If a bowler is unable to complete an over due to injury, another bowler, who has not completed her quota, may complete the over. The number of balls left to be bowled shall count as a complete over for the replacement bowler
- j. Two runs shall be the penalty for a wide ball and a no ball, but no extra delivery shall be bowled, except in the last over of an innings when the two-run penalty will still apply, but an additional ball shall be bowled
- k. Any delivery, regardless of pace, which passes or would have passed on the full above waist height of the striker standing upright at the crease, shall be called and signalled a no ball, whether it is likely to inflict physical injury on the striker or not

### The result

- m. If the total scores are equal, a super over shall be bowled to determine the winner. The super over shall be one, six-ball over bowled by one bowler. The team scoring the higher number of runs in the super over shall be the winner. If the scores are equal in the super over, the side losing the fewer wickets in the whole match (including the super over) shall be the declared the winner.

**APPENDIX C: Close fielding by Junior Players (when using a hard ball)**

- No young player in the Under 15 age group or younger shall be allowed to field closer than 8 yards (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.
- For players in the Under 13 age group and below the distance is 11 yards (10 metres).
- These minimum distances apply even if the player is wearing a helmet.
- Should a young player in these age groups come within the restricted distance the umpire must stop the game immediately and instruct the fielder to move back.
- In addition any young player in the Under 16 to Under 18 age groups, who has not reached the age of 18, must wear a helmet and, for boys, an abdominal protector (box) when fielding within 6 yards (5.5 metres) of the bat, except behind the wicket on the off side. Players should wear appropriate protective equipment whenever they are fielding in a position where they feel at risk.
- These fielding regulations are applicable to all cricket in England and Wales. Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

## **APPENDIX D: Fielding Restrictions (when using a hard ball)**

Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 25 yards (23 metres). The semi-circle shall be linked by two parallel straight lines drawn on the field. The fielding restriction areas should be marked by continuous painted white lines or 'dots' at 5 yard intervals. No more than **FIVE** fielders shall be permitted outside the fielding circle at the instant of delivery.

- For the semi-finals and finals of the Anderson Cup (U14) and the NatWest County Cup (U15), these regulations will apply throughout each innings.
- In the U15 T20 competitions and the U14 Plate, for the first 6 overs of an uninterrupted innings, no more than **TWO** fielders shall be permitted outside the fielding circle at the instant of delivery. For the remaining overs, no more than **FIVE** fielders shall be permitted outside the fielding circle at the instant of delivery.
- Fielding Restrictions for Reduced Matches.  
In circumstances where the number of overs for the team batting first team is reduced, the number of overs for which the above restrictions shall apply shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both the 1st and 2nd innings of the match:

<b>Total overs available to the batting team</b>	<b>No. of overs for which the initial fielding restriction shall apply</b>
5 – 6	1
7 – 9	2
10 – 13	3
14 – 16	4
17 – 19	5

In the event of an infringement of any of the above fielding restrictions, the square leg umpire shall call and signal 'No Ball'.

## **APPENDIX E: Free hit following a No-Ball**

- a) The delivery following a no ball shall be a free hit for whichever batsman is facing it.  
Note: this applies to all modes of No ball with the exception of a short-pitched delivery that passes or would have passed clearly over head-height of the striker standing upright at the popping crease.
- b) If the delivery for the free hit is not a legitimate delivery (any kind of no ball or a wide ball), then the next delivery shall become a free hit for whichever batsman is facing it.
- c) For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called wide ball.
- d) Field changes are not permitted for free hit deliveries unless there is a change of striker or the No Ball was the result of a field restriction breach in which case the field may be changed to the extent of correcting the breach. However, in all circumstances, any fielder within 15 yards of the striker may retreat to a position on the same line no more than 15 yards from the striker.
- e) The umpires shall signal a free hit by (after the normal no ball signal) extending one arm straight upwards and moving it in a circular motion

## **APPENDIX F: Bowl-Out Regulations**

Team shall consist of 6 players.

A toss will be taken. Winner of the toss may choose to bowl first or second.

Each player shall bowl 1 ball at 3 stumps from a distance equivalent to the length of the pitch on which the match was being played.

The ball shall not bounce more than twice to be a legitimate delivery.

A ball which hits the side or top netting (indoors or in a practice net, if used) shall be called a no-ball, but no extra ball shall be bowled.

The winning team shall be the one which scores most hits in 6 balls.

If, after both teams have bowled, the scores are level, then the same players will continue bowling in the same order in a sudden death situation.
